GIBLETS BY ROY EMIK

"Now, boys, all together, Sing is once more for me and this time fill heep still," should director Russell to the soldiers at the mass sing soong Thursday night after be had been giving one of his characteristic athietic inhibitions during the off-repeated chorus.

You can't do it. It's impossible." FELDMAN'S SM Sen Angendo M. should a Goughloy Russell hard

In This Day of Keen Competition You Must Have Strong Nerves, Clear Brain and Plenty of Energy, or You Are Doomed to Failure, Disappointment and Melancholy.

are the same man you should be.

This announcement carefully and If you have any symptoms, its call to see us if you don't feel you cause and effect if not attended to for if you neglect it too long it may properly at once.

Today is the time to call to see us,

become complicated.

Worn Out Nerves Can Be Restored Very Often Quickly. Our Daily Work Is to Build Up Men Whose Vitality Is Weakened, Men With Kidney Disease, Impure Blood and Other Ailments That Come Within Our Specialty.

The Above Invitation Refers to Men of Any Age Who Do Not Feel Up to the Standard-MEN WHO ARE NOT SICK YET HARDLY FEEL ABLE TO WORK.

In no other class of diseases is our "Ironciad rule," viz: "A Correct Diagnosis and Removal of the Cause, more applicable than in this class of maladies, neither is there any other class of troubles that should demand more careful attention and conscientious treatment, because this has long been the fertile field of the quark and patent nostrum fakers.

The terms, Lost Vitality, is not a disease, therefore, there is no one remedy or combination of remedies that will effect a cure in any case. The weakness is the result of some actual diseased condition which is generally easily diagonated and removed by skillful treatment; this is the only rational way of treating this trouble. SOME CASES CAN BE CURED IN A FEW DAYS, while others, due to a complication of

Among the many causes of Deeline are enlarged, infected or otherwise diseased prostate glands, chronic infections, varicoosis and hydrocels, all of which respond more or less promptly to scientific treatment and after a removal of the cause our Special Combination of Animal and Chemical Extracts will rebuild any man, no matter how weak or how long the trendle has existed.

Positive Cures for Reasonable Fees for the Following Diseases

\$100 REWARD

We offer a Reward of One Hundred Dollars (\$100.00) for any uncomplicated case of PILES we fail to cure without the KNIFE, LIGATURE, CAUTERY or CARBOLIC ACID INJECTIONS. We are the only Specialists in this section who can administer the PAINLESS IN-FILTRATION CURE FOR PILES. Hundreds of cases cured are sending us their triends atflicted as they were. We will gladly furnish any sufferer with the names of as many as he cares to see or write to. Why hesitate or suffer longer? Why submit to an operation with its attendant dangers, hospital fees and detention from your work? We take all the risk and guarantee results.

KIDNEY, BLADDER

and Urinary Diseases Scientific Treatment

If you have symptoms of disease of the hidneys, Bladder or Prostate, such as pain in the back difficult or frequent arination, smarting, burning or straining, dall, sching or throbleng sensation of the bladder; headaches, distinct, sleeplesmess, three feeting, cold hands and feet, pufficess of the eyes and feet, smollen ankles, difficult breathing, palpitation of the heart, you should consult us without delay.

Our years of study and extensive prac-

Our years of study and extensive prac-tice in the treatment of all forms of Kidney, Bladder and Urinary Troubles have familiarized us to the extent that we have attained superior skill, which maures successful treatment in all cases not absolutely incurable.

Hydrocele, Varicocele, Rupture Treated by Our Painless and Bloodless Method. No **Detention From Business**

Disregard of Rupture has cost many lives. The smallest are the most designed to life, because of increased H-

various to strangulation.

VARICOCELE is a knotty twisted wormilks condition of the va.us, with symptoms such as sching and pain, nervousness, debility, lack or emergy and ambition.

HYDROCELE is a distressing condi-tion, requiring expert attention. Denw-ing off the fluid is only temporary and the use of painful drugs is visious. If you are a sufferer from Hydrocele, you will do well to investigate OUR METHOD.
